

Twisting Department Machine Operator (Evening and Night Shifts) Phoenix, AZ

Job Duties:

- Twisting department operator will be responsible for tending to multiple machines on their shift. Some duties will consist of machine setup and change over.
- Operators are required to meet the daily production goals and will rotate machine assignments and share daily duties within the team.
- Operators will keep production logs up to date for each shift and are responsible for the quality of the product they are producing.
- The operator is responsible for notifying the shift lead if there are any machine issues that need to be addressed with the maintenance department.

Work schedule for 2nd shift is 1:00 PM to 9:00 PM and the schedule for 3rd shift is 9:00 PM to 5:00 AM. Starting pay is \$12.00 per hour plus \$.25 shift differential for the night shift twisting department. Currently, extensive overtime is required.

Requirements:

- Operators must be 18 years or older to apply.
- Operators must be able to work required overtime based on production needs.
- Operators must be able to be on their feet 12 hours a day and meet the physical requirements of the job lifting 21-60 pounds occasionally and 17-25pounds frequently.
- Operators need basic math skills.
